

When students do not receive your email response when they email you through Gradebook.

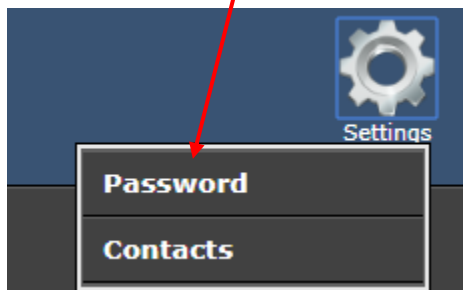

---

Have the students log into gradebook.

Click on Settings

Click on Password

Under password the student needs to put in an email address that they actually check.

A form titled "PASSWORD" with a blue header. It contains several input fields: "User Name" with the value "9684949", "Email" with the value "CARLPARA9684@graniteschools.org", "Password", "Confirm Password", "Last Name" with the value "PARADA PINEDA", and "First Name" with the value "CARLOS". At the bottom are two buttons: "Save" and "Clear". A red arrow points from the text above to the "Email" input field.
